

## Upute za ostvarivanje udaljenog pristupa bazi ClinicalKey

Ako dosad niste imali otvoren vlastiti korisnički račun u bazi ClinicalKey potrebno je napraviti sljedeće:

1) otići na stranicu <https://www.clinicalkey.com/#!/registration>

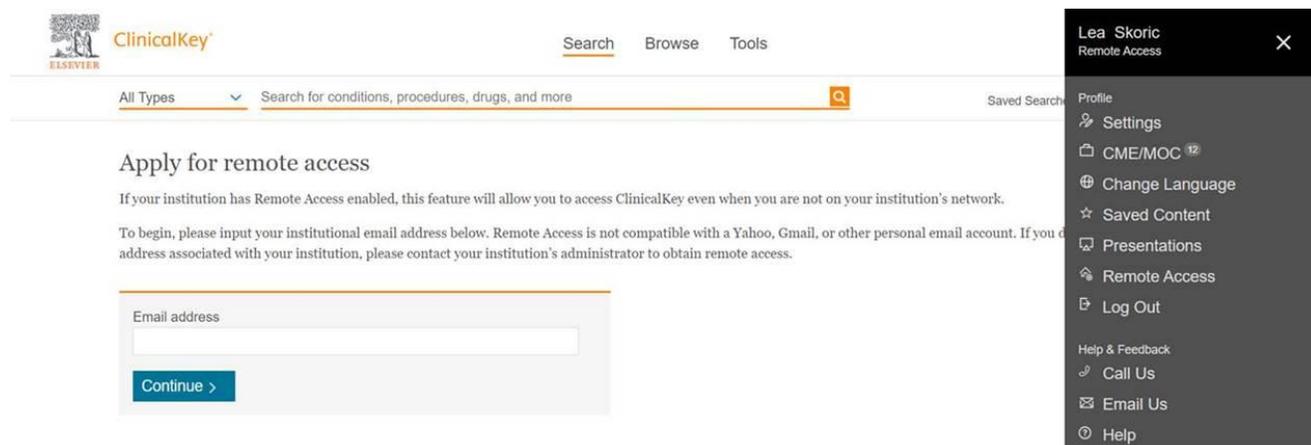

Tu se registrirate uz OBAVEZNO korištenje e-mail adrese u domeni @mef.hr ili @student.mef.hr

The screenshot shows the ClinicalKey registration page. At the top, there is a navigation bar with the ClinicalKey logo, a search bar, and links for English, CME/MOC, Store, Login, Register, and a menu icon. Below the navigation bar, there is a search bar with the text "Search for conditions, procedures, drugs, and more". The main content area is titled "Register" and includes the text "Registration is quick and free. It allows you to personalize the Elsevier products to which you have access." and a note "\* = Required. Privacy policy." Below this, there is a form with two sections: "Your details" and "Email and password". The "Your details" section has fields for "First name \*" and "Family name \*". The "Email and password" section has a note "Your e-mail address will be your username for these Elsevier products." and fields for "Email address \*" and "Password \*".

2) Nakon određenog vremena stići će vam e-mail od ClinicalKeya kojim se traži da potvrdite svoj zahtjev tj. aktivirate korisnički račun. Taj e-mail koji puta stiže odmah, koji puta za par sati, a ponekad tek sljedećeg dana. Koji puta ode i u pretinac neželjene pošte. Nema pravila...

3) Kada izradite svoj korisnički račun (ili ako ste ga već ranije napravili), **potrebno je aktivirati udaljeni pristup**. Trebate otići na svoj Account i kliknuti na Remote access. Kad se otvori taj ekran, onda ponovno treba upisati svoju adresu @mef.hr ili @student.mef.hr i čekati novi mail s linkom za aktivaciju udaljenog pristupa. Ovaj mail najčešće stiže u roku 24h.

The screenshot shows the ClinicalKey "Apply for remote access" page. At the top, there is a navigation bar with the ClinicalKey logo, a search bar, and links for Search, Browse, Tools, and Saved Searches. Below the navigation bar, there is a search bar with the text "Search for conditions, procedures, drugs, and more". The main content area is titled "Apply for remote access" and includes the text "If your institution has Remote Access enabled, this feature will allow you to access ClinicalKey even when you are not on your institution's network." and "To begin, please input your institutional email address below. Remote Access is not compatible with a Yahoo, Gmail, or other personal email account. If you do not have an institutional email address associated with your institution, please contact your institution's administrator to obtain remote access." Below this, there is a form with a field for "Email address" and a "Continue >" button. On the right side of the page, there is a user profile menu for "Lea Skoric" with the following options: Remote Access, Profile, Settings, CME/MOC 12, Change Language, Saved Content, Presentations, Remote Access, Log Out, Help & Feedback, Call Us, Email Us, and Help.

4) Kada primite taj drugi e-mail, kliknite na aktivacijski link.

Sada biste trebali imati pristup cjelovitim tekstovima. To možete provjeriti klikom na sljedeće linkove:

- <https://www.clinicalkey.com/#!/content/book/3-s2.0-B9780702052699500129> (Sobotta Atlas of Anatomy, Vol.1, 16th ed., poglavlje General Anatomy)  
Poglavlje iz knjige - trebao bi se vidjeti cjeloviti tekst i slike, ali PDF nije moguće skinuti.
- <https://www.clinicalkey.com/#!/content/book/3-s2.0-B9781437735482000781> (Emergency Medicine, Second Edition, poglavlje Thoracic Trauma)  
Poglavlje iz knjige - vidi se cjeloviti tekst, tablica i slike, PDF se može skinuti.
- <https://www.clinicalkey.com/#!/content/journal/1-s2.0-S0002870319303394> (American Heart Journal, Vol 221, 2020. Transesophageal echocardiography complications...)  
Članak – vidi se cjeloviti tekst, PDF se može skinuti.
- [https://www.clinicalkey.com/#!/content/medical\\_procedure/19-s2.0-mp\\_OR-004](https://www.clinicalkey.com/#!/content/medical_procedure/19-s2.0-mp_OR-004) ( Video – Carpal Tunnel)  
Video zapis – može se gledati video, ispod je tekst s detaljnim opisom i slikama. Video se ne može skinuti i sačuvati lokalno.

Kada napravite sva četiri koraka, ako pristup nije onakav kako je gore opisano – molim da napravite sliku zaslona (Print Screen), i pošaljete prijavu greške na [lea.skoric@mef.hr](mailto:lea.skoric@mef.hr).
